BALEV CORPORATION EOOD

ABOUT US

Balev Company was established in 1990 in Varna, Bulgaria by Dimitar Balev, as a sales firm. In 1997 the Areon trademark was registered and the company's own air fresheners appeared on the market. Areon quickly gained popularity, and in ten years grew from a local supplier to a well known worldwide brand. Today, we strive and work in order to fulfill the expectations of our customers in terms of value and quality. At the same time, we aim to find new solutions and technologies in functional perfumery.

Smell is the most powerful and emotional of all the senses. Air fresheners are a perfect way to keep your name in front of prospects and customers. Balev Corporation EOOD offers customized paper air fresheners in a vast range of shapes and scents. With the possibility for both digital and screen printing we will create your unique and personal marketing product. We can also offer different design on the two sides of the freshener, which provides more info for your company and business.

Customized Air Fresheners are ideal choice for:

- GAS AND SERVICE STATIONS
- CAR WASHES
- NEW AND USED CAR DEALERS
- CAR ACCESSORIES SHOPS
- AUTO REPAIR SHOPS
- TIRE DEALERS
- ALMOST ANY BUSINESS...

By choosing the right fragrance, you will create a memorable experience and enhance your company's brand image, improve customer experience and increase sales. All our fragrances are produced in Europe and comply with current EU regulations. We can use also customer's fragrances after test.

PACKAGING:

The air fresheners are packed in multilayer barrier film that keeps the fragrance fresh for up to 3 years. Upon request, we can provide a header card to allow positioning on displays with hooks. The air fresheners are packed in 10 pcs stack and 1000 pcs in carton. The products are labeled according GHS/CLP in your preferred language.
